

UPDATE: Recommendations & Preventative Actions

Dear Sender One Community,

As all of you are aware, as a result of the coronavirus, our world is currently in a period of transition, in particular as regards health and safety practices. Its impact on our community generally and Sender One operations changes almost daily. In light of recent announcements by the California Department of Public Health and California Governor, Gavin Newsom, Sender One has the following updates to our programming and offerings.

- The USAC Youth Sport Local that was scheduled for Saturday, April 4th at SNA is canceled.
- Sender One's Bouldering League at LAX, scheduled to start April 8th, is postponed until further notice.
- All community events involving large gatherings at both SNA and LAX are cancelled until further notice.
- We are reducing staffing and staff positions in response to a reduction in large group offerings.

Additionally, effective immediately, we are making the following community recommendations:

- During busy weekday evenings and weekends, please limit your gym visits to a maximum of three (3) hours.
- For Sender City sessions, although we sanitize our helmets regularly, if you feel more comfortable using your own helmet, you are encouraged to.
- For climbing camps, you are encouraged to provide campers with their own snacks as we are reducing group meal times.

To reiterate, Sender One is continuing to take all reasonable precautions recommended by health and government authorities to curtail the spread of the coronavirus while safeguarding.

Thank you,
Sender One
